## About Mansfield

In the 143 years of baseball at Mansfield University, no head coach has won as many games as Harry Hillson. Since 1992, Hillson has directed his Mountaineers to nine PSAC East Division Championships, three North Atlantic Regional Championships and three trips to the Division II World Series. The 2008 Mountaineers finished 31-20, leading the PSAC in hitting at .336 and homeruns with 41.

During the 1990's the Mountaineers were the seventh winningest program in Division II, winning 71.1% of the games and ranked eighth in wins with 354. Now with 714 victories Coach Hillson became the fastest coach in Division II history to reach the 700 win milestone.

A nationally recognized authority on hitting, Hillson's teams have ranked among the top five in Division II season-ending statistics nine times. Eighteen players have entered professional baseball in the last 21 years. **Tyler Noel** signed with the Texarkana Gunslingers in 2009. **Ryan Giblin** signed with Windy City in 2008. Former camper **Eric Baker** led Division II in hitting .500, and was drafted by the **Houston Astros** in the 27th round. Coach Hillson is known for his hitting, but 10 of the players signed have been pitchers, including: 2002 **Montreal Expos Greg Martin**, 1998 **Boston Red Sox Chris Zallie**, 1999 **Houston Astro** 11th round pick **Kris Kann**, and **Milwaukee Brewers** 15th round pick **Chris McGee** (all former campers). Twenty-two Mountaineers have been named All-American, the most of any Northern Division II school.

Mountaineer tradition of excellence is evident in the summer camp program and is recognized as one of the top developmental programs in the northeast. Experience top notch facilities at Shaute Field and proven instructional techniques that have made the Mounties one of the best baseball programs in the nation. The staff is composed of the best college, high school staff in the northeast. They are committed to teaching each camper the fundamentals of the game. Each camper is guaranteed to leave our camps with improved skills and a greater overall understanding of the game of baseball.

All phases of the game taught, including hitting, throwing, fielding, bunting and base running. Emphasis placed on individual skill development as well as team concepts. Campers participate in a minimum of 75 minutes of drills and instruction followed by a game against live pitching.

**Check-in: Monday, 9 a.m.,**  
**Shaute Field**

## Location

Mansfield University is located on Route 6 and Route 15 in the borough of Mansfield. We can easily be reached by Interstate 80 and Interstate 390. Driving time from Scranton is two hours; Williamsport is one hour; Harrisburg is three hours; Philadelphia and New York are four hours.

Tioga County is one of the most exciting tourist spots in the northeast, featuring the Pennsylvania Grand Canyon along with boating, fishing and camping. Golf and tourist packages are available for the whole family. Call the Chamber of Commerce at 570-662-3442 for more information.

## Instruction

Players are divided into two separate camps during each camp.

**The Little League Division (ages 7-12)** emphasizes player development with two age groupings to assure the best possible instruction. A special **transition division** is offered for **ages 11-12** emphasizing skills necessary for the step up to a regulation field. For **ages 13+**, get set for intensified instruction. If you can't get enough of the game this camp is for you!

This camp is a one-of-a-kind experience for All-Star or beginner.

A recreation program is provided with swimming each day. This camp is geared exclusively for the youth player.

Baseball theory and all fundamentals (hitting, bunting, base running, sliding, fielding by position, team defense and pitching) is taught with lectures, demonstrations and practice drills daily. There is a heavy emphasis on hitting with hitting instruction provided on 10 high-tech areas.

Campers participate in a minimum of eight games during the week. Batting cages and pitching machines are available.

## Drills

Each child participates in fielding, throwing drills, and game strategy such as cut-off plays, relay throws and actual game situations. The Radar Gun is used to measure arm strength.

## Living Quarters

Two to a room, in residence halls (roommate requests accepted). Those with All-Star or league commitments may leave camp for games. Coaches live on the floors, providing constant 24-hour supervision.

Room, board and supervision is provided between sessions for an additional fee.

## Facilities

**Shaute Field** is one of the premier college baseball facilities in the country. Included are: new bleachers, sprinkler system, press box, concession stand, renovated bathrooms, full infield tarp, practice infield, eight practice mounds, and eight fully equipped batting cages with pitching machines. State of the art video analysis equipment is available to film pitchers and hitters. Seven additional fields are used for games and drills. On-campus the campers enjoy the game and recreation rooms, indoor swimming pool, weight room, snack bar and souvenir stand. Transportation is provided to fields.

## Dining

Campers enjoy three nutritious meals daily at Manser Dining Hall. Dinners and lunches offer choice of two hot entrees with salad and desert bar. Our menu is "all you can eat" and satisfies the most picky eater.
